

Northamptonshire Community Foundation

Coronavirus Response and Recovery Fund appeal

Over the last 19 years, Northamptonshire Community Foundation has played a crucial role in supporting our local community and the outbreak of the Coronavirus has created unprecedented strain on the voluntary sector.

Working alongside the National Emergencies Trust, NCF have launched a Coronavirus Response and Recovery Fund to raise the urgent funds our voluntary groups desperately need to continue providing care and support for older and vulnerable people hit by the social and economic impact of the coronavirus.

Donations will be targeted, in the form of grants, at local charities supporting local people facing a range of social issues including social isolation, food poverty, poverty and poor mental health.

How can I help?

The quickest and easiest way to donate is online via our Just Giving Page: If you want to give locally, please do so through the Northamptonshire Appeal <https://www.justgiving.com/campaign/ncfresponseandrecovery>

Otherwise the NET Appeal is another way to ensure your donation reaches the most vulnerable people, where and when it's needed. The National Emergencies Trust will distribute money raised through a number of charitable organisations including local Community Foundations, to ensure it reaches those who need it most. <https://nationalemergenciestrust.org.uk/coronavirus/>

Alternatively you can also donate by BACS transfer to: Unity Trust Bank, Sort Code: 60-83-01, Account Number: 20134419, using the reference 'Response & Recovery'.

Northamptonshire Community Foundation stands shoulder to shoulder with our voluntary sector during this crisis. Please stand with us too.

For more about our Foundation's response to this emergency and how you will be helping to support your local community, please visit our website <http://www.ncf.uk.com/>

Thank you from everyone at Northamptonshire Community Foundation
